### **Falk Tischendorf and Bilgeis Mamedova take part in the First Russian-German Industrial Forum 2018 in Moscow**

The First Russian-German Industrial Forum, organized by the Russian-German Foreign Trade Chamber in Moscow, was held on 22 November 2018. Forum participants included: Vasily Osmakov, Deputy Minister of Industry and Trade of the Russian Federation; Azer Talybov, Deputy Minister of Economic Development; Roman Petrutsa, Director of the Industrial Development Fund; Alexander Shokhin, President of the Russian Union of Industrialists and Entrepreneurs; Rüdiger von Fritsch, the Ambassador of the Federal Republic of Germany to Russia; and representatives of international and Russian business.

Falk Tischendorf acted as the moderator of the panel discussion "Prospects for the Automobile Industry in Russia". Representatives of German business in Russia took part in the discussion, including: Stefan Teuchert, CEO of BMW Group Russia; Jurgen Olberding, COO of Daimler KAMAZ Rus; Dmitry Kapishnikov, General Director of KUKA Robotics Rus; Hansjürgen Overstolz, President of the Bosch Group; and Hartmut Maier, General Director of Benteler Automotive.

Bilgeis Mamedova participated in the discussion of the topic "Development of Pharmaceutical Products "Made in Russia"", during which representatives of the largest pharmaceutical companies Nanolek, NPO Petrovax Pharm, Sarstedt, and Fresenius NephroCare considered the specifics of the pharmaceuticals business in Russia, state support measures, and prospects for the development of the pharmaceutical industry and production of medical products. The moderator of the discussion was Matthias Wernicke, General Manager of Merck Biopharma Russia and CIS.
