

ADVANT Beiten

We would like to invite you to participate in the online seminar "**Disputes with the customs authorities: overview of current judicial practice and recommendations for business**", organised by ADVANT Beiten. We will discuss:

1. Introduction

- Specifics of customs disputes
- Current statistics of disputes with the customs authorities: is there any hope that you will win if the dispute goes to court?
- Tracking application of Judge of the Decree of the Plenum of the RF Supreme Court No. 49 dated 26 November 2019 in customs disputes: innovations and recommendations
- What deadlines should be borne in mind if a company intends to challenge the actions of the customs authority in court?

2. Disputes on the classification of goods for customs purposes

- What the declarant must prove in a customs classification dispute
- Overview of key cases of the RF Supreme Court in disputes on the customs classification of goods

3. Disputes on determining the customs value

- How to prove that the declared customs value of the goods is correct
- Specifics of customs control after the release of goods into circulation
- Refund of customs payments
- Overview of key cases of the RF Supreme Court in disputes on determining the customs value

4. Disputes in cases on administrative violations of customs legislation

- Administrative liability if goods are not declared; false declaration; use, storage, acquisition, transportation of goods brought across the border illegally
- Instances of parallel disputes on the additional accrual of customs payments and in a case on administrative violations of customs legislation

Speakers: Alexander Bezborodov, LL.M., Attorney-at-law, Partner and Natalia Bogdanova, Ph.D., Associate, ADVANT Beiten.

Date and time: 21 October 2021, 11:00 am to 12:30 pm (Moscow time)
