

Business Breakfast

"Antitrust regulation in Russia: practical application in 2017, anticipated changes and trends"

Thursday, 8 February 2018, Moscow

Program

- 9.45 – 10.00h **Registration**
- 10.00 – 10.10h **Introductory remarks**
- 10.10 – 11.30h
- 1) Clarifications of the Presidium of the Federal Antimonopoly Service of Russia for 2017: abuse of dominant position, calculation of the damages caused as result of violations of antitrust legislation, etc.
 - 2) Development of the practice of filing "private" claims regarding violations of antitrust legislation: whether it is worth appealing with FAS against counterparties, competitors/other parties and filing a claim for the reimbursement of the damages that they caused.
 - 3) Methodological recommendations on how to introduce internal controls to monitor compliance with antitrust legislation.
- 11.30 – 11.45h **Intermission/coffee break**
- 11.45 – 12.45h
- 4) Planned amendments to antitrust legislation: the new authorities of the Federal Antimonopoly Service and its employees when conducting investigations and audits; the application of antitrust legislation to actions and agreements related to the use of intellectual property, increasing liability for repeated offenses, etc.
 - 5) The most interesting cases of violations of antitrust legislation in 2017.
 - 6) National Plan for the Development of Competition for 2018-2010: the issues to watch out for and what to prepare for.
- 12.45 – 13.00h **Question and answer session**
